## Profile

I am a recent graduate looking for work and experience in urban planning and design. I hope to use my skills and knowledge to work towards improving the lives of local people.

## Education

University of Manchester, Urban Design and International Planning      2024-2025

*Developed my adobe creative suite, GIS, and AutoCAD skills. It also gave me the opportunity to work in a team and to develop my eye for design and visuals.*

University of Glasgow, Philosophy M.A.      2018-2022

*Enhanced my critical thinking, writing skill, my ability to construct and deliver convincing arguments, and my capacity for engaging with different concepts and viewpoints.*

## Work Experience

Urban Planning and Design Intern      2025

*Worked with Stockport City Council, fellow students and professors to create a professional document detailing the opportunities and constraints for development in a local area. This information was presented to the council and will inform future design codes for the city.*

English Language Assistant at Colegio Las Esclavas in Spain      2022-2023

*Taught 3- to 10-year-olds English speaking and grammar as a Meddeas English Language assistant. Responsible ensuring class discipline as well as creating and designing engaging, age-appropriate lesson plans with minimal resources.*

Board Manager at Cafe Andaluz in Glasgow

2021-2022

*Led team of co-workers in a fast-paced, customer-service environment and enabled effective communication amongst team members while ensuring customer needs were met in a timely manner. Developed an ability to adapt quickly and shift focus as new problems and tasks emerge.*
